Brief description of the damage:

Miscellaneous information

Order Terms:

The customer hereby commissions SPIER GmbH & Co. Fahrzeugwerk KG to provide a fee-based support service for the purpose of determining the damage. There is agreement that placing an order in digital form is sufficient. Compliance with a written form requirement is waived on both sides.

Creating the required information takes time. Please understand that we charge € 120.00 plus VAT for this time. In the case of a damage value of € 4,000 or more, 3% of the damage amount will be charged as an invoice amount.

For further inquiries, we are happy to help you.
